### **Application for Swimming Pools**

A permit must be obtained for any public or semi-public indoor and/or outdoor swimming pool, children's pool and/or whirlpool. This includes a pool in a hotel, motel, school, apartment house, country club, or condominium, etc.

1. For initial construction or any proposed changes, a properly prepared plan needs to be stamped and signed by a Massachusetts registered professional engineer or registered architect and submitted to the Health and Human Services Department for written approval prior to starting construction. A \$50.00 plan review fee is required at this time in cash or check made payable to the City of Newton.
2. After submitting the plan to the Health and Human Services Department, all necessary building permits must be obtained from Inspectional Services located at City Hall 2<sup>nd</sup> floor.
3. Any revisions to the approved plan and/or specifications must be reviewed and approved by the Health and Human Services Department.
4. **Completely** fill out the appropriate application and send it to the Health and Human Services Department along with the fee. The fee for each indoor pool/whirlpool is \$300.00. The fee for each outdoor pool/whirlpool is \$150.00.
5. After construction but prior to use a final inspection must be scheduled with the Health and Human Services Department. If the pool is approved a permit will be issued.

If you have any questions or need further information please call the Health and Human Services Department at 617-796-1420.
